SIGNATURE OF PARENT/GUARDIAN

I agree to the following regulations:

- 1) **All obligations must be cleared prior to receiving a parking permit.**
- 2) **You MUST bring a copy of your Drivers License and CURRENT insurance information with your parking permit form.**
- 3) Warnings for parking infractions will be issued the first 2 weeks of school. After the initial two weeks vehicles illegally or improperly parked will be booted and fined or towed at your expense. The boot is a locking device placed on the driver's side tire that needs to be removed by campus security.
- 4) If your vehicle is booted and you damage the boot you are liable for all damage costs to the boot and your vehicle.
- 4) Vehicles driving recklessly in the parking lot are subject to fines.
- 5) If fines are paid the day they are given the fine is reduced to ½ the original amount.

I understand that the school will assist by patrolling the parking areas, but can not assume responsibility for loss due to theft, vandalism, fire or other causes.
